

Bonjour to all my Beautiful Rainbow Sisters and the Awesome Adults in Tennessee,

Happy 2014! It is hard to believe that we are halfway through our Rainbow year! Since our last edition of the Hues 'N News we have been extremely busy. On September 21 the Grand Officers traveled to the Chattanooga area for our last Official Visit. We had an opportunity to "Show our Inner Beauty" during a beautiful meeting and excellent meal. Thank you for the Eiffel Tower lamp. It is now on display in my Dorm Room but will also be a part of Grand Assembly. During the meeting, it was a pleasure to serve as Faith when Ashley Broadway received her Majority. Our Fun activity was a trip to the Tennessee Aquarium. Thank you to Mrs. McAfee and the Chattanooga area for a fabulous adventure. From creatures in the Tennessee River to sharks and seahorses, the Grand Officers learned a great deal about aquatic animals. My favorite experiences were visiting the butterfly garden, watching the penguins at Penguin Rock, and petting the stingrays.

On October 4-6, Tennessee Rainbow Girls and advisors traveled to MontMilner Camp for our annual Leadership Retreat. Friday night was a time for meeting new friends and settling in for the weekend. On Saturday, we participated in several seminars that encouraged us to find "The Keys of True Beauty". A few line-dancing sessions were scheduled throughout the day and we were able to show off our moves. The Grand Officers opened their own Beauty Shop in the bunkhouse and performed a makeover on Mom Ruby.

On Saturday night, we divided into teams and created fashionable outfits from tablecloths, ribbons, scissors, feathers, duct tape, and wigs.

Our fashion show on Sunday morning was definitely the fashion event of the season. Thank you to all of the advisors who prepared workshops, food, and activities for this exceptionally cool camp.

In November, Grand Gross of Color Banquets were held across out state. I attended the Middle Tennessee GCC banquet at Claiborne Lodge on November 17. We held an area Initiation before our meal and welcomed three new sisters into our order. Natalia Conrad served as president as we elected new officers and held our Bread Service. One sad note following our banquet was the death of Mr. William Wolfe, husband of Mrs. Gladys Wolfe. Please keep Mrs. Wolfe in your thoughts and prayers during the coming months.

Our Grand Officer's Christmas party was held on December 7 at Hendersonville Lodge. Despite the threat of ice and snow, the Grand Officers gathered from across the state to celebrate the season. We began the afternoon by making 150 Christmas ornaments for the Al Menah Shrine patient's Christmas party.

We also wrote thank you notes to supporters of the Susan Komen Breast Cancer Nashville Run. Thank you to Ms. Mickey and the adults of the Nashville Area for providing an excellent meal with an Eiffel Tower cake made by Mrs. Debora Coe. After dinner, we exchanged gifts and the room looked just like Christmas!

Whitney's article – continued

Thank you to the Grand Officers for the framed puzzle of my emblem. It was a unique and special gift. We traveled to CircusWorld for bowling, roller-skating, trampolines, and laser tag. We all challenged ourselves as we tried new activities and had a great time. A few icy flakes ended our fun and we moved to my house to exchange Secret Sister gifts and a Dirty Santa ornament swap. The Whitaker 7-eleven refreshment bar was opened with hot dogs, nachos, cookies and popcorn. Exhausted but filled with the spirit of Christmas and Rainbow, we headed home on Sunday morning.

December was a busy month with Hendersonville Rainbow sponsoring "Breakfast with Santa" on Saturday Dec. 14. We exchanged gifts, sang carols at the NHC nursing home, and attended the play "A Christmas Carol" at the local theater.

On Sunday, Dec. 15, Nashville area girls helped serve food at the Al Menah Shrine Christmas Party. The Shrine ladies had decorated trees with ornaments from the GO Christmas party. Each patient and their siblings chose ornaments from the trees to take home. Watching them carefully choose their ornaments was the highlight of the party for me. On Saturday Dec. 21, we attended the C.E. Hendricks DeMolay Chapter Toy dance. The price of admission was a toy to be donated to the Shrine Hospital.

Our last trip was to Knoxville on Dec. 28 to attend the celebration of the Tennessee Masonic Lodge Bicentennial. The meeting was held at the Scottish Rite Building with many Masonic dignitaries present. Following the meeting, the Rainbow Girls and Adults from the Knoxville area served at the banquet. It was a great day for Tennessee Masons and we appreciate PGM Dr. Tom Boduch inviting our Rainbow Girls to be a part of this celebration.

A sparkling shout-out to my Grand page Allyson Swanhart. I look forward to serving with you at Grand Assembly.

As you plan for the next terms, do not forget our projects for the year. Plan a fundraising project for the Shrine Hospital. Collect items for the Nurses for Newborns and bring the items to Homecoming on April 5. Take pictures for our Rainbow's Top Models Grand Assembly Presentation. Check on the dates for local relay for life events and plan to participate. Above all, enjoy being with your Rainbow Sisters as you reflect the True Beauty of Rainbow to your friends and family.

Au revoir till we meet again,
Whitney Whitaker
Grand Worthy Advisor 2013-2014

Hello Everyone!

I hope everybody had a very Merry Christmas and a Happy New Year! I cannot believe that I'm already writing the Winter Hues 'N News, it seems like yesterday we were just at Grand Assembly. I would like to give a HUGE, GLAMEROUS shout out to my sweet, sweet Grand Page, Carrigan Brummett! You have rocked this year!

The Grand Cross of Color Banquet was spectacular in the Memphis Area and all the girls and adults did a fabulous job with the tributes and preparing such a great night for all of our guests! It was so great getting to meet so many new people!

I would like to give a huge THANK YOU to all the Nashville adults for welcoming all the Grand Officers to Nashville for the Christmas Party – I had a total blast and I know I will never forget what a great time I had! Everyone met up at our very own "Christmas Café" or in other words, the Hendersonville Lodge, where we got to make ornaments for the Shrine Kids and open presents by the fire (TV) place! Then we all piled up in many cars and made the short drive to Circus World, an indoor amusement park of sorts! We could bowl, play Laser Tag, ride Bumper cars, and even Bungee Jump! It was so much fun. Afterwards, we all went to the Whitaker's house where we all got to play Dirty Santa and open our Secret Sister gifts! Unfortunately, all good things must come to an end, so we all said our goodbyes the next morning and headed our separate ways, but I cannot wait for March to roll around so I can see everyone again!! I pray everyone has many, many blessings in this New Year!

Lots of Rainbow Love,
Alison Allensworth
Grand Worthy Associate Advisor 2013-14

Happy New Year!

I hope that each one had a great Christmas Season and that 2014 will be a wonderful year for each of you. My wish for you is that this year will be even better than last year. Dad Joe and I would like to wish our Grand Pages, Haylee and Kaelee, a wonderful New Year!

We finished our travels for 2013 with a fantastic Christmas party with Whitney, Mom Ruby and all the Grand Officers. Our Christmas time in Hendersonville was great and visiting with all our Rainbow Girls and Adults helped make our end of the year wonderful. Everyone had a good time making ornaments, eating, having fun and opening gifts. Dad Joe and I would like to thank you for the gifts and all your love. Each of you are part of our Rainbow Family and we are very thankful for you in our life.

Our Family Christmas this year was short on family visiting. Our daughter Susan and her husband Todd made their visit from Wisconsin in October so they were not able to come for Christmas. My sister and her husband that live in Illinois were with us in November so they were not able to be here. We did have our daughter Amy, her husband Dave, and our precious Granddaughter Rachel. Rachel is three so this year Santa was on her list. We went to her house at 7:00 AM to see what Santa had left. She came to Grammy and Poppy's later to see what Santa had left at our house. She had a lot of fun opening gifts and riding her bike. We did miss my two nieces this year, as Samantha is touring with Ringling Brothers Blue Tour, as an aerialist, and Sarah is now married and living in London. I still have a sister and her family living close and we were able to see each other. It is wonderful to have family to be with at special times.

As our New Year gets under way I wish your Assemblies the very best. I know that you have had your Installations and you have started Initiating new members into our wonderful Organization. Keep up the good work! I know you are happy when you can fill the stations in your Assembly Room. Work on membership and not only will you have new members, but you will also be working on your bracelet and beads from Supreme.

We are now planning for the Grand Officers Practice in March and Homecoming on April 5 in Nashville, where Whitney, Mom Ruby and all the Grand Officers will be looking for all of us to join them. Please work on our projects and make all the deadlines. It makes you feel good to know you can help others that are not as fortunate as you. We all need help sometime and being of Service to others will reward us in the end.

With the start of this New Year, call your Rainbow Sisters that are not coming to the meetings and invite them back to the Assembly. Call the Majority Members and invite them to get involved with the Assembly. They may have daughters that they would like to have join Rainbow.

I wish each of you a glorious year and pray God will bless each of you daily and keep you safe and well. Remember, Rainbow Beauty Lives Within!

Thank you for a wonderful year in Rainbow and continue to serve our wonderful Order.

Mom Fortenberry had a great time at the Grand Officers Christmas Party!

Hello Tennessee Rainbow and Friends!

What an amazing year we have had so far! It has been such an honor to serve as your State Mother Advisor this year and to travel with an amazing group of young women. I hope that this article finds each one of you well. Thank you to everyone across the state for welcoming us into your area and showing us such a wonderful time. Your hard work paid off and we have such great memories of all of the Official Visits.

I would like to take this time to thank the Grand Officers for the group pictures and all of the special and sweet words. As soon as I got home, I put up in a special place of my home. Thank you to all those who worked so hard in preparing for the Christmas Party.

I hope that each and every one of you had an amazing Christmas and New Year's. I can't believe that it is 2014 already. Before we know it, we will be gathering at the Marriott for Grand Assembly! I know that each and every one of you are working so hard on the Grand Worthy Advisor's projects and making Tennessee Rainbow shine.

I would like to leave you with this thought, "Real glamour and beauty is not just mascara, Chanel No. 5 perfume, and perfect lip gloss. Real glamour is being a role model. It's about being beautiful on the inside and caring more about others than you do yourselves." –Unknown

Be beautiful and I will hopefully see all of y'all at Homecoming!

Hi Everyone!

I hope everyone had a Merry Christmas and a Happy New Year. I cannot believe it is 2014 already.

After all the Official Visits ended, we all got to see each other at Leadership Camp. We learned that it is not how a girl looks on the outside but it is how she acts and what is on the inside that is the most important thing.

For Church Hill #105, Harley is now serving Worthy Advisor for the first time. Her theme is 'Fishing with Rainbow' and just like my last term in the East, we both picked a theme that is close to our hearts. I love that I have been able to see Harley grow in Rainbow, and I am glad to be her Big Sister! Upper East met at the Johnson City Assembly for Grand Cross in November and had a very nice luncheon.

To end 2013, the Grand Officers met in Nashville for our Christmas Party. I loved seeing my Grand Family again. We made ornaments for the Shrine Children. I love our Grand Officer jackets that Whitney and Mom Ruby gave us!

I would like to say Hi to my Grand Page Monet' and I can't wait to see you again!!

Grand Treasurer, 2013-2014

Hello all!

I hope everyone had a wonderful holiday and I am excited for the New Year! Due to the dangerous weather, I was unable to attend the Grand Officers Christmas Party, but have heard all about it! I hate I missed all of the fun and fellowship!

I want to take a minute and thank all of the girls and adults that took time out their busy schedules to help plan, prepare, and provide for us! Without you, we wouldn't be the Organization we are now. I want to send a very special shout-out to the sweetest Grand Page ever, Miss Katie Kerlin! Can't wait to see you girl!

I'm looking forward to our Area Installations and the Initiation we will be having this month! I can't wait to Initiate more girls. On a personal note, I am very happy to be starting my spring semester of my sophomore year at UTM! Among many other classes, I'm taking advanced pottery. I am busy with a full schedule and I am eager to get started. I can't wait until I get to see everyone again!

Hello My Beautiful Rainbow Family,

I hope everyone had as much fun as I have had in our travels to Leadership Camp and to the Grand Officers Christmas party. I know that I had so much fun at Leadership Camp and I learned so many valuable lessons I need for life and I loved seeing everyone there. Also, I definitely want to thank everyone who helped make Leadership Camp happen. We are all very thankful for your help.

I want to thank everyone who helped with the Grand Officers Christmas party. I had so much fun making ornaments, opening gifts, watching movies, and going to Circus World. I want to thank those who helped prepare the food and Mrs. & Mr. Whitaker for allowing all of us to stay at their house.

I hope all of you had an amazing Holiday, because I know I did. A special hello to my Grand Page Devyn Paulk. I hope to see all of you at Homecoming in April.

Love,

Hello everyone!

I hope all is well with each and every one of you. I want to say a special hello to my Grand Page, Catherine "Cat"! I had a wonderful time traveling the state this year with my Rainbow Sisters. It has been a joy to spend time with every girl, and get to see all the wonderful work they are doing in their Areas. Thank you to all those who worked behind the scenes to make all the Official Visits possible. Another thanks is in order for those who helped at Leadership Camp. I was touched by each lesson and will never forget my time spent there.

My Thanksgiving was fun! I ate plenty of food, and had a wonderful time with my family. Speaking of family, I spent the first weekend of December with my Grand Family at the Grand Officer Christmas Party. Although I was not able to attend a small portion of the party (read below), I had a wonderful time at the Whitaker's home. Thank you so much for a wonderful night!

School is going very well as I am into my last semester of high school. I am so excited to start my next big step in my life; COLLEGE! The reason I was not able to attend a small part of the Grand Officer Christmas Party was because I was at Martin Methodist College. There, I was awarded a \$24,000 scholarship to be spread over the four years of my college career. I also signed up to compete in a full ride scholarship competition. Wish me luck!

It has been a wonderful year as a Grand Officer. I have truly been blessed with all the Sisters and smiling faces around me. Thank you again Mom Fortenberry for giving me this wonderful opportunity.

Rainbow Love,
Kim Rose, Grand Recorder

Happy New Year Sisters!

I have had a great year so far being a Grand Representative. My California counterpart, Samantha, is from Simi Valley and is part of Fidelity Assembly #242. I am learning a lot about Rainbow in California and it sounds like they have a lot of fun. They have 62 Assemblies and wear hoop skirts! Samantha is very sweet and fun to talk to and I hope to get a chance to visit her. Though I must say I have not had an opportunity to talk to my Florida counterpart, Kaylin, very much, I am excited to get to know her and learn more about Rainbow in Florida. I'm very honored that Mom Fortenberry gave me this opportunity to get to know these two wonderful girls and to learn more about Rainbow in their states.

Hendersonville #3

Hi from Hendersonville #3!

Our Assembly was very busy during Kacey Farleigh's term as Worthy Advisor. Some of the projects that we did included collecting pennies for pets and also toys for the Shrine Hospital. The Shrine Hospital in Lexington was very appreciative of all of the toys that we delivered. We also helped support our Masonic Lodge by holding a "Raise the Roof" dance. We raised \$300 that night which was our donation towards the new roof for our lodge. We also presented the Hendersonville Masonic Lodge a new clock for our dining room that

night as we celebrated their 200th Anniversary of the Masonic Order in Tennessee. We enjoyed helping the Nashville Susan G. Komen prepare for their big Race for the Cure by folding LOTS of pink and white t-shirts for the cancer survivors and the

runners. Our Breakfast with Santa was enjoyed by everyone as we raised money for Grand Assembly.

As we ended this busy term, Caitlyn Brummett

was Installed as our new Worthy Advisor in January. Her theme is "Rainbow Girls Stand Shoulder to Shoulder," encouraging us to promote anti-bullying in schools and in the community. Her colors are teal, indigo, and olive green. Her symbols are paper dolls, the lantern and lace. Our service projects this term will focus on collecting items for the Domestic Violence and Abuse Shelter and promoting anti-bullying in the other Nashville area Assemblies. We are looking forward to another wonderful term!

Hendersonville Assembly hosted Breakfast with Santa above and celebrated the season with Caroling!

Leadership 2013 – Camp MontMilner

Camp brought many activities and lessons this year as girls learned about Rainbow, personal safety, dressing for success and just having a great time!

Leadership Camp 2013 Camp MontMilner

Grand Representatives wrote letters to their counterparts all over the US and everyone considered their personal gifts that can be used to make a difference in the world.

Do you remember the word you wrote? Have you made a difference?

Welcome MacKenzie!

The Nashville Area had an Initiation on Sunday, January 19, at Claiborne Lodge. Many of the Officers were serving their stations for the first time. The Officers did great work! We were so pleased to have Mom Fortenberry and Mom Martha with us for the meeting.

Claiborne Assembly #8 is excited that the new candidate was Initiated into our Assembly. MacKenzie Illaramendi is now our newest member. We have been waiting 11 years for her to join Rainbow!!

MacKenzie (above) with Whitney and Mom Fortenberry and the Officers (left) who served for Initiation

Tennessee Adults recently attended a day-long Youth Protection workshop. It was a great day with 75+ in attendance. We covered a variety of topics which will benefit our work with our Rainbow Girls and cause our Advisory Boards to have some in-depth discussions on how to improve and become more effective.

We began our day with a devotion and some housekeeping items. We then had presenters work with those in attendance on: Being Successful Assemblies, Accessing the Supreme Website, Social Media, Cyber Bullying, our TN IORG Facebook page, the history and needs of MontMilner Rainbow Camp, our Adda Dinsmore Educational Loans and Scholarships, Youth Protection and Concerns, and General Info on TN Rainbow including Grand Assembly forms and Committees, new Bars and Badge requirements, Guidelines for Official Visits, Expectations for Grand Officers, and how to work with our Girls on their Ritualistic work. We ended the day with Mom Fortenberry giving a detailed School of Instruction on some of our ritualistic floor work.

It was a full day, but very productive. Our Adults all filled out up-to-date profiles and background checks. It was also good to have the time for our Adults to be together informally and have time for fellowship and conversation.

Hi Everybody,

I want to make a "shout out" to my wonderful Grand Page, Ashleigh Beeler. The Official Visits were great, and I want to give a special thank you to all the Adults, Mother Advisors, each Grand Deputy, and everyone else for the food you prepared and the activities.

At leadership, we learned life lessons about friendship and the appropriate dress code for the appropriate place or event. The food, experience and fellowship was amazing, and I have our wonderful Adults to thank.

At Halloween, I spent time with my friends while taking my brother around my neighborhood to trick or treat. I spent Thanksgiving with my family and the food was wonderful.

I loved the Grand Officer's Christmas party. The decorations were fabulous and so cute. We got wonderful gifts and all of them will be useful. I am going back to school for the first time in two months since my back surgery. I can't wait to see all my friends that I have missed so much and to be back in school. I had Christmas with both my Mom and Dad's side of the family, and I am glad that Christmas is the day everybody can celebrate the birth of Jesus.

My Assembly did our annual gingerbread house, Christmas cards, and tray favors for the NHC nursing home in Hendersonville. We also did our breakfast with Santa where the community sees the heart of Rainbow and the good in our Organization. The Shriner's had their patient Christmas party, and it was awesome seeing the smiles on the kids' faces as we served them food or helped them to their tables.

Sincerely,
Megan Sadler, Grand Outer Observer

Hello Everyone!!

I can truly say that this year will be wonderful. I am a junior at Northeast Mississippi Community College in Boonville, Ms. I am a Biology Major and Technical Theatre' Minor. I have been in Rainbow for almost 7 years and I couldn't have asked for a better Organization to belong.

It's hard to believe that 2013 is already over and we have begun another year. I have enjoyed the Official Visits and getting to spend time with my Rainbow Sisters. The food at each one was amazing and tasty as always and the decorations were so beautiful! Our gifts were so great and I love them all! Our outings and meetings were so much fun and entertaining. I love the time that I get to spend with everyone.

I hope that everyone had a wonderful Christmas and New Year as I know that I have! I was able to spend this year's two major holidays with my family and friends and was able to share my blessings with them all. I hope this year is full of fun and God's blessings for everyone.

A Peak at the Grand Officer's Christmas Party

The Grand Officers gave Whitney a puzzle made from her theme!

The cake represented the Eiffel Tower!

Grand Officers received jackets from Whitney and Mom Ruby!

Happy New Year!

Is it just me or did 2013 go by fast? I hope everyone has had a wonderful holiday and is starting the New Year with a bang. A special shout out to my Grand Page, Kayla Perry!

Earlier in the year I attended the Knoxville area and Dinsmore Assembly Grand Cross of Color ceremonies. Both ceremonies were beautiful and well done and the food was awesome! This year to celebrate Christmas, my Assembly went to the live nativity scene in Knoxville. The show was gorgeous and absolutely amazing! It had beautiful music from a live choir and was a wonderful show.

I attended the Grand Officers Christmas party in December. Thank you again to the Nashville area for hosting our party and to the Whitaker family for letting us take over their house for the night. ☺ Our party was amazing. We got to make cute ornaments - that was kind of challenging for my art-challenged self, but they turned out to not be so bad. The dinner was also fabulous and we ate to our heart's content. Thank you to everyone I received a gift from. They were truly appreciated and there were so many. Olivia and I had to put ours in a box!

After the dinner, we went to a place called "Circus World" and we got to do things like roller skating, laser tag, bowling, bungee jumping, etc. I had a blast and I also discovered my limits to roller skating. I tried my hardest, but sometimes you just have to know your limits and roller skating is one of mine. The cutest group of girls tried their hardest to show me how to roller skate but it was futile. Alison and I both ended up just crawling off the rink in shame on our hands and knees. I later discovered a large bruise on my knee where I fell so much!

Ashley, Janae, Kayla, and I also bowed our heads in shame after being beat by seven year olds at laser tag. I don't know what my luck was that day, but for some reason I got the dysfunctional suit and mine would randomly stop working in the middle of a game. I would then have to do the walk of shame as seven year olds jumped out left and right to shoot me to get it fixed again. Then they waited outside to gang up on me! O well at least I got a few gutters in bowling! ☺ Over all it was a good day.

When we returned to the Whitaker home, we started to exchange secret sister gifts and played dirty Santa. I finally got one of Whitney's ornaments after three years of trying. Personal life goal accomplished! From my secret sister this year I received two CD's of my favorite singers, Mariah Carey and Kellie Pickler. She also handmade me an adorable picture frame with my name and office with my favorite colors and seashells on it. It was a very sweet and well thought out gift. I hope that everyone has a great New Year and I can't wait to see everyone again at Homecoming in Nashville!

Tennessee Masons Celebrate 200th Birthday!

On December 28th, Tennessee Masons gathered in Knoxville to celebrate the beginning of Tennessee Masonry. It happened 200 years ago in Knoxville, when North Carolina charted Tennessee's Grand Lodge. Then our state paid it forward by chartering other states' Grand Lodges. The original site of the signing of the charter is now under water since the Tennessee River is higher now than it used to be. Later, the Grand Lodge moved to Nashville, where it remains today. At least 15 Grand Masters from surrounding states came to wish Tennessee Lodges a Happy Birthday.

After the meeting, the Knoxville Area served dinner for the men and their families. Whitney and her parents came for the event, along with Kristie Bridgers, the DeMolay State Sweetheart, her brother, Matt Bridgers, State Master Councilor and their parents.

On Friday, January 24th, Whitney came to the Knoxville Area to serve as Worthy Advisor while five girls were initiated in the area!!

A sleepover followed the evening so everyone got to meet the new members!

Hey guys!

I am so excited for this New Year and what it has in store for everyone! I hope everyone had a great holiday and safe travels. I would like to make a shout out to my wonderful Grand Page, Andrea. You are amazing, girl!

I am super excited about everything that is coming up this Spring like our Grand Officers' practice and Homecoming! Let's not forget Grand Assembly will be here before we know it! Hope to see everyone there!

Welcome 2014 and Hello from Fountain City #56 to all of our Rainbow Family!

Fall and Winter have been busy for Fountain City. In addition to attending most of the Tennessee Official Visits, Julianna also got to attend a Georgia OV as Tennessee's Grand Representative to Georgia. She got to meet her Grand Representative and the GWA of Georgia!

We hope that everyone had a safe and healthy Christmas and New Year. In November, the group did their annual Angel Tree shopping and were able to provide for two young girls to have Christmas. This had been a tradition for this group since 2010.

Afterwards the girls then decorated several Christmas Trees for the ToyStore at Central Baptist Church of Fountain City for families to be able to have a tree. All had fun and the trees looked great.

The season ended with the combined Installation of Officers for Fountain City and Farragut. Fountain City is privileged to have a Worthy Advisor now. Julianna Justice was installed as Worthy Advisor. Her theme for her term is *May the Angel of Friendship Fill your Heart with Love*. We will be adopting Elm-croft Assisted Living for this year and collecting books for the Empty Stocking Fund. It was a great day and when we got through with the Installation, we were invited to serve for the Tennessee Masonic 200th Birthday Celebration which was a lot of fun. We got to meet many of our Masons were honored to serve along with Whitney for the dinner. Looking forward to seeing everyone in the upcoming months.
